Customizable features

Your vehicle includes a variety of electronic features that can be personalized to your preferences. Programming these preferences requires specialized equipment and may be performed by an authorized Lexus dealership.

Some function settings are changed simultaneously with other functions being customized. Contact your Lexus dealer for further details.

<table>
<tr><th>Item</th><th>Function</th><th>Default setting</th><th>After customization</th></tr>
<tr><td rowspan="9">Wireless remote control (→P.22)</td><td>Wireless remote control function</td><td>ON</td><td>OFF</td></tr>
